Automatic Bill Payment

JREC's Automatic Bill Payment lets you pay your bills automatically without writing a check. You won't have to worry about missing a payment, and you'll save time as well as checks and postage. JREC will also waive the \$200 deposit for all new members who sign up for automatic bill payment through a checking or savings account. There's no charge for the service.

You will continue to receive a monthly energy bill and your payment will be deducted automatically from the account you provide two to three days prior to the due date each month. Any changes must be made at least seven days prior to the due date.
